EXPERIENCE

Freelance Videographer and Editor, Kansas City, MO — 2023-Present

Work with many different clients to achieve their video and editing needs. Projects have included corporate commercials, wedding films, drone footage and short films.

Videographer and Editor, TRO Agency, Lenexa, KS — 2024-Present

Film and edit commercials for companies that hire TRO, such as SOR Controls Group and Jimmy Garza Emergency Water Removal. Typically narrative commercials with graphics.

Video Editor, Acellus, Kansas City, MO — 2022-2024

Film and edit school lessons taught by teachers then upload them to an international academic academy. Film on Blackmagic cameras and used DaVinci Resolve editing software.

EDUCATION

Full Sail University, Winter Park, FL — Bachelors of Science in Digital Cinematography, 2023-2025

North Kansas City High School, North Kansas City, MO - High School Diploma, 2015-2019

OBJECTIVE

Immensely driven film school graduate with proven creative skills seeking to increase knowledge and experience in the filmmaking industry to become a director.

SKILLS

Well versed with Sony Cinema Line cameras and DaVinci Resolve editing software.

Proficient with Blackmagic cameras and Adobe Suite (Premiere, Effects, Media Encoder)
